

Solomon Schechter School of Queens Annual Fund 2009-2010

Our school is an institution of excellence providing the best in Secular and Jewish Education serving the Queens community for more than 53 years. In order to continue providing what our deserving students need to reach their full potential, we must raise unrestricted funds. Raising funds above and beyond tuition is what every Independent School does to ensure a vibrant future for their constituents and the next generation. Donations support the following and more:

- Outstanding Secular and Judaic curriculum
- State-of-the-art science and technology equipment
- Professional development for faculty and staff
- Enrichment opportunities
- Tuition assistance for families in need

Money for the Annual Fund is raised through the following fundraising activities:

1. SSSQ Annual Campaign, Tomchei Hataf – Supporters of Children:

- Now through December 31st, we ask current school families, alumni families, grandparents, community members, alumni, friends and local businesses to make tax deductible unrestricted gifts to the school.

2. Virtual Journal and Gala Auction:

- Each year we bring our community together to honor those who have significantly impacted our community and school. This season's event takes place on **March 6, 2010, 8pm at Hollis Hills Jewish Center** honoring Bracha and Martin Werber, Marcia Friedman, Dedicated Faculty Member and the Alumni Classes of 1980-1984. Event registration costs and details will follow our Annual Campaign.

3. Golf, Tennis and Fitness Outing at Towers Country Club:

- Save the date for **June 1, 2010**. Our outing is a wonderful opportunity to enjoy time with friends, family, colleagues and business partners while supporting a great cause – our children at SSSQ. Details will follow in the spring.

Designated Giving Opportunities:

Whether it's Building a New Science Lab, Enhancing Our Library, Dedicating an Honorary or Commemorative Plaque, Supporting Tuition Assistance, Special Events, Professional Development or Funding the Israel Trip – you may want to give to a project that is specifically meaningful to you and your family. These options are needs in addition to our Annual fund.
